

Yes! I'd like to double my support of student scholarships by donating to the Innovation and Opportunity Matching Campaign

Gift Amount:

I would like to make a gift of: \$50 \$100 \$250 \$500 Other \$ _____

This will be a:

- One-time gift
- Monthly gift of \$ _____ for _____ months
- Annual gift of \$ _____ for _____ years

Donate by credit card online at usask.ca/sios or mail your cheque made payable to the "University of Saskatchewan" to the address below.

Pre-authorized debit option: If you wish to give by automatic withdrawals from your bank account, please go to our website at usask.ca/pad to download or contact our office at **1-800-699-1907** to have the agreement mailed to you.

Please direct my gift to one of the following:

- Innovation Matching Fund
 - I want to support third and fourth-year students who are studying in signature areas of innovation including mining, energy, agriculture and biotechnology, medical sciences, environment and sustainability, nuclear medicine, engineering, and science programs across the university; and, international students and students who are studying abroad.
- Opportunity Matching Fund
 - I want to support the university's top priorities including: awards for graduate students in any college, scholarships for entering or continuing students in all programs, and Huskie Athletes

Additional Information:

You will be recognized for your gift and have your name included in listings that recognize donors.

- Please recognize the following name(s): _____
- I prefer to remain anonymous
- My employer has a Corporate Matching Gift Program. I have enclosed my completed matching gift form.

Please send me information about:

- Creating a scholarship, award or bursary in my name (minimum award of \$5,000)
- Making a provision in my will in support of the University of Saskatchewan (bequest, life insurance, stocks)

I prefer to be contacted by: mail or email at this address: _____
